The Britannia Yacht Club (BYC) is pleased to offer reciprocal privileges to visiting sailors who are full members in good standing of your club for the 2020 membership year. We hope that you will extend the same privileges to our members.

BYC is a full reciprocal club extending privileges to sailors and their boats for up to 1 week, depending on available space. Boats may be launched free of charge with our 12,000 lb capacity crane. There is a charge of \$15.00 per night for boats staying longer than 7 days.

BYC is an active club with a large membership base and some 300 boats. We also boast a casual and friendly atmosphere with an active social agenda. The Club hosts a number of regattas each summer. We offer full bar and restaurant services, tennis, showers, Wi-Fi, Ice, gas and diesel, and pump-out facilities.

BYC was established in 1887 and is the oldest yacht club in the National Capital region. It is located on the Ottawa River and lies just west of the city centre.

Sailors and their families are welcome to use BYC's facilities while visiting Ottawa for business or pleasure. During the summer the bar and restaurant are open 7 days a week. During the evenings our members often relax under our marquee tent and enjoy the best sunsets in the city. During the winter months BYC is open Tuesday evenings for Movie Night, Wednesday evenings for Pub Night, Friday evenings and Sundays for lunch. Visitors are welcome to drop by and visit our famous 'magic dragon' bar and relax by our large copper fireplace which is a focal point during the colder months.

Additional information on our club is available at www.byc.ca

Sincerely yours,

Lisa Shishis
